DISTANCE LEARNING CONTRACT CONSORTIUM

CONTRACTUAL RELATIONSHIPS

An agreement that covers the requirements defined by Ed Law 2-D must exist either directly between the school district and the product vendor, or, if the product is part of a service obtained through a BOCES CoSer, an agreement between that BOCES and the product vendor. Even though a compliant agreement may exist between a BOCES and a vendor, **if a district does not obtain that vendor’s product as part of a service delivered through a BOCES CoSer governed by that agreement, the BOCES-negotiated terms do not apply to that district.**

Districts need to procure these products through their local DLCC or sister DLCC that participates in the Contract Consortium and supports the product.
