# STATEWIDE CONTRACTS 2020-2021

JUNE 3, 2020

STATEWIDE CONTRACTS
NYSITCC AND NYSDLCC

CONTRACTUAL RELATIONSHIPS

An agreement that covers the requirements defined by Ed Law 2-D must exist either directly between the school district and the product vendor, or, if the product is part of a service obtained through a BOCES CoSer, an agreement between that BOCES and the product vendor. Even though a compliant agreement may exist between a BOCES and a vendor, **if a district does not obtain that vendor's product as part of a service delivered through a BOCES CoSer governed by that agreement, the BOCES-negotiated terms do not apply to that district.**

| STATEWIDE CONTRACT CONSORTIUMS THAT SUPPORT LEARNING TECHNOLOGIES | NYS Instructional Technology Contract Consortium | NYS Distance Learning Contract Consortium | Districts need to procure these products through their local BOCES/RIC or a sister BOCES/RIC that participates in the Contract Consortium(s) and supports the product. |

Note: All vendors are working towards an agreement that will begin July 1, 2020.
